The application window will close on Friday, August 28, 2020 or when the \$2 million allocated by the County has been preliminary awarded.

Required Documents

All eligible nonprofit organization will be required to submit proof of 501c3 status from the U.S. Department of Treasury, as well as proof of registration as an active nonprofit corporation in the State of Florida.

Attestation

All eligible nonprofits must attest to the following:

- Certification that the organization provides, or will provide, direct human services in Leon County related to COVID-19.
- Certification that the organization has either incurred unexpected expenses related to COVID-19 or will incur expenses related to COVID-19 as proposed in their grant application.
- Certification that the organization has not already received (and does not expect to receive) coverage or reimbursement of any of these costs through another funding source (such as insurance or grants).
- Certification that the information listed in the organization's application is complete and accurate to the best of their knowledge.

Review & Approval Process

Leon County staff will administer the approval and distribution of funding to eligible nonprofit organizations on a reimbursement basis, consistent with state and federal guidelines.

Applications will be reviewed and preliminary awarded based on eligibility as they are received (first come, first eligible). Once the preliminary awards have reached \$2 million, then the application window will close, and funding awards will be announced a week later.

Additionally, organizations who are not awarded funding will also be notified at a later date.

Eligible & Non-Eligible Expenditures

What is an eligible expense for the Leon CARES Local Human Services Assistance Grant Program?

Eligible expenses may include:

- Personal Protective Equipment (PPE)
- Personnel costs not already budgeted and incurred due to COVID-19
- Computer & technology purchases or leases (for all technology purchases, an organization must specifically define how purchasing such equipment is tied to COVID-19 and service delivery)

- Service assistance to individuals and/or families impacted by COVID-19 (i.e. hotels, legal services, etc.)

Can funds be used for capacity building to address needs resulting from the COVID-19?

Yes, however because this funding must be expended by December 30, 2020, the nonprofit organization will be required to specifically outline how proposed programs/services will be sustained after that date.

If a capital project were already planned, however additional expenses will be incurred to better meet community needs arising from COVID-19, would those new expenses be an eligible expenditure?

Yes, however the nonprofit organization will be required to specifically outline how the additional expenses are specific to COVID-19.

What is not an eligible expense for the Leon CARES Local Human Services Assistance Grant Program?

Non-eligible expenses may include:

- Expenses incurred before March 1, 2020 OR after December 30, 2020
- Expenses already budgeted prior to March 27, 2020
- Expenses already or will be reimbursed through other programs (PPP, LEAN, CHSP, etc.)
- Revenue replacement/losses
- Programs/Services that do not assist individuals/families impacted by COVID-19

Reimbursement & Fund Disbursements

Can an Awardee receive an advance of funds?

No, Awardees are not eligible for an advancement of funding. Funding is based on submitted reimbursements based on costs/expenses that have already been incurred.

Reimbursement Process

All Awardees are required to submit reimbursements through the Leon CARES Portal. Copies of original receipts, paid invoices and authorized payroll reports reflecting actual expenditures incurred.

Once reimbursements are submitted and approved, Awardees can expect fund disbursement from the County within fifteen (15) business days via check or direct deposit.

Reporting, invoicing, and payment are expected to continue beyond the term of approved agreement.

Is this a loan or a grant, and will I be required to pay funds back?

This is a reimbursement grant and does not require repayment. Each approved organization will receive funding based on the submission of a reimbursement of expenses incurred.

Providers who have received funding must attest to the funds and agree to the program Terms and Conditions or agree to return the funds within 90 days of payment.
